Precautionary COVID-19 Measures on the Facilitation of First Aid:

- Learners will be required to bring their own pen
- Learners will be required to wear a face mask during the training
- Learners will be seated at least 1.5 meters apart during training
- CPR Manikins are cleaned before, during and after training has taken place
- If it is required for learners to share equipment, the equipment will be cleaned after each use
- Alcohol wipes will be provided for each set of equipment so that learners can clean their equipment before the next participant
- Each student will be provided with a one-way valve barrier device (CPR mouthpiece)
- The facilitator will explain how to use the device and learners should practice inserting and hand placement. It is not necessary during this period for learners to practice using their mouths if they prefer not to.
